

SHIPPING AND DELIVERY

Unless otherwise requested, all orders will be shipped using Canada Post standard service. Shipping charges are calculated during the checkout process.

All orders received will be shipped within 3 business days after order confirmation, or as otherwise specified during the checkout process.

Orders should arrive at your address in Canada 5 to 7 business days after shipping, or within 10 days for US addresses. Actual delivery time depends on how close you are to a distribution point.

Please note that business days do not include weekends or holidays. Delivery times are approximate and are not guaranteed. Remote areas may take longer to deliver to.

Taxes

Prices shown do not include any federal, provincial, or local taxes, or any taxes imposed by any government authority, including, without limitation, sales, use, excise, value-added taxes or similar taxes. For all shipments to destinations outside of Canada, all import duties and custom clearance are the client's responsibility.
